

## **Dorothy Call-Back**

Follow the yellow brick road? Follow the yellow brick road. Okay, here it is, but which now which way do we go? (looking at scarecrow) That's funny. Wasn't that scarecrow pointing the other way? (talking to her dog) Don't be silly, Toto, scarecrows don't move- hey, you moved! I think you're trying to tell me which way to go, but- are you doing that on purpose or can't you make up your mind?
